## **Background**

4. The report outlined the sufficiency, suitability and condition issues in Cardiff as assessed in 2017, which provided the basis of the funding request from Cardiff to Welsh Government under the Band B programme. A copy of the 12 October 2017 Cabinet Report is included at **Appendix 1**
5. At its meeting on 14 December 2017, the Cabinet approved the prioritised scheme under Band B of Cardiff's Band B 21st Century Schools Programme. A copy of the 14 December 2017 Cabinet Report is included at **Appendix 2**.
6. The proposed replacement and expansion of Willows High School within the Band B phase of the 21st Century Schools Programme sought to:
  - Replace a "D" condition, end of life, 11-16 secondary school;
  - Contribute towards addressing sufficiency issues in the secondary sector in the central area of the city.
7. Since the submission of the Council's Band B 21st Century Schools Programme was approved in principle by the Welsh Government in November 2017, surveys of school buildings in Cardiff have identified condition issues at Baden Powell Primary School which would require investment within and beyond the Band B investment period.

8. The Archdiocese of Cardiff has also indicated in correspondence with the Council in April 2019 that, in light of concerns around the continued viability of St Alban's Catholic Primary School, it can no longer sustain the school. This correspondence is attached as **Appendix 3**.
9. The Archdiocese has therefore requested that the Council consider a proposal be brought forward to close St Alban's Catholic Primary School, in the context of wider proposals for school provision serving Adamsdown and Splott.
