
YOUTH JUSTICE SERVICE – UPDATE

Purpose of the Report

1. In October 2020, when agreeing the Work Programme for 2020/21, the Children & Young People Scrutiny Committee agreed that it would prioritise the Youth Justice Service as a topic for scrutiny. This followed the publication of the HMIP Inspection report in 2020.
2. **Appendix A** attached to this report provides Members with an update on progress in relation to the Youth Justice Service. In addition, a range of performance results for the Youth Justice Service are attached at **Appendix B**.

Background

3. The Cardiff Youth Justice Service (YJS) is a statutory partnership set up under the Crime and Disorder Act 1998 to work with 10 to 18 year olds and their families, to prevent anti-social behaviour, offending and re-offending. YJS workers provide intervention and support to young people sentenced to a community penalty or custody or those dealt with by an out-of-court disposal, as well as prevention and diversion work to try to steer young people away from entering the youth criminal justice system. They also offer support to victims of youth crime and anti-social behaviour.
4. Youth Justice Service teams are required to have staff from local authority social services, education services, the Police, the National Probation Service and local health services.
5. The inspection, in January 2020, was led by HMI Probation and supported by inspectors from Care Inspectorate Wales, Estyn, Healthcare Inspectorate Wales, and HMI Constabulary and Fire & Rescue Services (HMICFRS).

6. Overall, Cardiff Youth Offending Service was rated as 'Inadequate' across all areas of work: leadership and staffing; working with partners such as health, education and police; and providing services to children and young people who have offended and to their victims. The inspection found improvement was required across all areas. The report made 14 recommendations.

Issues

7. Since the Inspection, this Scrutiny Committee has monitored progress and improvements to the YJS, via bi-monthly updates. At this meeting, Members will receive an update from the Chair of the YJS Partnerships Sub Committee on improvements in relation to Partners involved in improvements to the YJS.
