

Draft Active Travel Network Map Schedule of Schemes 2021

Cycleways				
Route Name	Scheme Reference	Location	Scheme Description	Status
Cycleway 1	C1.1	St Andrew's Crescent to Senghennydd Road	Segregated cycle track and associated junction improvements	Completed
Cycleway 1	C1.2	Cathays Terrace to UHW	Segregated cycle track and associated junction improvements	In development, out to tender
Cycleway 1	C1.3	King George V Drive to North East Cardiff development site	A combination of on road route through quiet streets and segregated cycle tracks where required. On road and off road options are currently under consideration for alignment of route between Llandennis Road and North East Cardiff development.	In development
Cycleway 2	C2	City Centre to St Mellons Business Park and NCN Route 88 via Newport Road plus cross-border connections with Newport via A48 and NCN88	Segregated cycle track and associated junction improvements	In development
Cycleway 3	C3	East Tyndall Street, Tyndall Street and Lloyd George Avenue	Segregated cycle track and associated junction improvements	In development
Cycleway 4	C4.1	Sophia Gardens and Llandaff Fields	Segregated cycle track between Cardiff Bridge and Sports Wales National Centre. Barrier removal on existing shared use path through Pontcanna Fields	Completed
Cycleway 4	C4.2	A48 to Llantrisant Road	Options for exact alignment and scheme design of this section of the route are currently under investigation	In development
Cycleway 4	C4.3	Llantrisant Road to Plasdwr development site	Segregated cycle track and associated junction improvements	In development
Cycleway 5	C5	City Centre to Ely and Caerau via Wellington Street	Segregated on road route, junction improvements, off-road measures, and new bridge over River Ely	In development
City Centre Loop	CC	Circular route around city centre with connectivity to Cycleway 1, 2, 3 and 4	Segregated cycle track and associated junction improvements	In development

Trails and Off Road Routes				
Route Name	Scheme Name	Location	Scheme Description	Status
Taff Trail	TT2	Wood Street to Castle Street Bridge	Review and rationalise street furniture	Incomplete
Taff Trail	TT5	Off road path alongside Nos Da	Widen path	To be completed. Alternative on road route is now in place using modal filters.
Taff Trail	TT6	Fitzhamon Embankment	Provide segregated cycle track if feasible, or widen existing shared use path	To be developed.
Taff Trail	TT9	Blackweir Bridge	Replace existing bridge with bridge which meets Active Travel Design Guidance standards	In development

Taff Trail	TT10	Millennium Bridge	Amend approaches to Millennium Bridge to reduce conflict between users and improve surface.	To be developed.
Taff Trail	TT11	Castle Street	Reduce time to wait for green man at Toucan crossing. Remove "end of route" signs on bridge.	Incomplete
Taff Trail	TT12	Off road path between Castle Street and Blackweir Bridge	Widen path where feasible and install ecologically appropriate lighting.	To be developed.
Taff Trail	TT14	Off road path through herbaceous border (alternative route through Bute Park to relieve pressure on Taff Trail)	Consider options to either widen path through the herbaceous border or provide a cycle route behind the Summer House Café	To be developed.
Taff Trail	TT15	Off road path alongside Bute Park playing fields (alternative route through Bute Park to relieve pressure on Taff Trail)	Widen path	To be developed.
Taff Trail	TT16	Bute Park access from Blackweir Bridge (alternative route through Bute Park to relieve pressure on Taff Trail)	Provide 24 hour access through gates to provide alternative route for commuters through winter months to relieve pressure on Taff Trail	To be developed.
Taff Trail	TT18	Access barriers at Llys Talybont and Gatekeeper cottage	Replace with bollards.	Complete
Taff Trail	TT20	Subway under A48	Improve drainage and lighting	To be developed.
Taff Trail	TT21	Off road path between Blackweir Bridge and Llys Talybont	Widen path	To be developed.
Taff Trail	TT22	Access from Taff Trail to River View	Reconfigure subway slope and access to River View to improve accessibility and visibility	To be developed.
Taff Trail	TT23	Subway under Bridge Road	Improve drainage and lighting through subway, replace existing barriers with bollards.	To be developed.
Taff Trail	TT24	Off road path between A48 and Bridge Road	Widen existing path.	To be developed.
Taff Trail	TT26	Hailey Park	Realign and widen existing route through Hailey Park	In development
Taff Trail	TT29	Forest Farm Road	Introduce a 20mph speed limit and bicycle street	To be developed.
Taff Trail	TT30	Path between Forest Farm Road and Radyr Bridge	Create space for path users to stop and chat to improve flow on path	To be developed.
Taff Trail	TT31	Ty Mawr Road	Change segregated path to place cyclists nearest to the road. Provide pedestrian and cycle priority crossings at side roads. Implement measures to prevent vehicles blocking access to Taff Trail at Hailey Park.	To be developed.
Bay Trail	BT	Circular Walking and Cycling Route Around Cardiff Bay + Links	On road and off road improvements	To be developed
Rhymney Trail	RT	Rumney - Llanrumney - Pentwyn - Pontprennau	On road and off road improvements	To be developed
Ely Trail	ET	Cardiff Bay - Canton - Caerau- Ely - Fairwater - St Fagans	On road and off road improvements	To be developed

Secondary Cycle Routes

Route Name	Scheme Reference	Location	Scheme Description	Status
Outer Radial Route	OR 1A	Mill Road - Doyle Avenue	On road and off road measures	To be developed
Outer Radial Route	OR 1B	Doyle Avenue - A4119	On road and off road measures	To be developed
Outer Radial Route	OR 1C	A4119 to Ty Mawr Road	On road and off road measures	To be developed
Outer Radial Route	OR1D	Ty Mawr Road to Church Road (Whitchurch)	On road and off road measures	To be developed

Outer Radial Route	OR 1E	Church Road (Whitchurch) to Toby Carvery (Ty'n Y Parc Rd)	On road and off road measures	To be developed
Outer Radial Route	OR 1F	Toby Carvery (Ty'n Y Parc Rd) to Heathwood Road	On road and off road measures	To be developed
Outer Radial Route	OR 1G (1)	Heathwood Road to Dan-y-Coed Road (via Rhydyppennau)	On road and off road measures	To be developed
Outer Radial Route	OR 1G (2)	Heathwood Road to Cyncoed Road (via Heath High Level/Low Level)	On road and off road measures	To be developed
Outer Radial Route	OR 1H	Dan-Y-Coed Road/Cyncoed Road to Hollybush Road	On road and off road measures	To be developed
Outer Radial Route	OR 1I	Pentwyn Drive (Underpass) to Ball Lane	On road and off road measures	To be developed
Outer Radial Route	OR 1J	Ball Lane to Newport Road	On road and off road measures	To be developed
Inner Radial Route	IR 2A	Cowbridge Road East to Waun-gron Road	On road and off road measures	To be developed
Inner Radial Route	IR 2B	Waun-gron Road to A4119 (Cardiff Road)	On road and off road measures	To be developed
Inner Radial Route	IR 2C	A4119 Junction to Taff Trail	On road and off road measures	To be developed
Inner Radial Route	IR 2D	Western Avenue (Taff Trail) to Gabalfa Interchange	On road and off road measures	To be developed
Inner Radial Route	IR 2E	Gabalfa Interchange	On road and off road measures	To be developed
Inner Radial Route	IR 2F	Gabalfa Interchange to King George VIII Avenue (Hospital)	On road and off road measures	To be developed
Inner Radial Route	IR 2G	King George VIII Avenue (Hospital) to Wedal Road	On road and off road measures	To be developed
Inner Radial Route	IR 2H	Wedal Road to Wellfield Road (Pen-Y-Lan Library & Community Centre)	On road and off road measures	To be developed
Inner Radial Route	IR 2I	Marlborough Road (Wellfield Road to Albany Road)	On road and off road measures	To be developed
Inner Radial Route	IR 2J	Albany Road (Roundabout) to Beresford Road/Newport Road Junction	On road and off road measures	To be developed
Southern Link	SL 3A	A4161 Newport Road to Moorland Road Junction (via Beresford Road)	On road and off road measures	To be developed
Southern Link	SL 3B	A4161 Newport Road to Moorland Road Junction (via Tremorfa)	On road and off road measures	To be developed
Southern Link	SL 3C	Habershon St (Moorland Rd to Ordell St)	On road and off road measures	To be developed
Southern Link	SL 3D	East Tyndall Street (Splott Ordell St) to A4232 Roundabout	On road and off road measures	To be developed
Southern Link	SL 3E	East Tyndall Street (A4232 Roundabout) to Cardiff Central Train Station (Rear)	On road and off road measures	To be developed
Southern Link	SL 3F	Cardiff Central Train Station (Rear) to Grangetown (Clive Street)	On road and off road measures	To be developed
Southern Link	SL 3G	Clive Street to Ely Trail (Penarth Road Vale Boundary)	On road and off road measures	To be developed
Southern Link	SL 3H	Clive Street to International Sports Village	On road and off road measures	To be developed
Connector Routes	CR 4A	Schooner Way	On road and off road measures	To be developed
Connector Routes	CR 4B	Hadfield Road/Leckwith Road	On road and off road measures	To be developed
Connector Routes	CR 4C	Colin Way (A48 Junction) to Penally Road.	On road and off road measures	To be developed
Connector Routes	CR 4D	South Ely Link (Caerau)	On road and off road measures	To be developed
Connector Routes	CR 4E	North Ely Link	On road and off road measures	To be developed
Connector Routes	CR 4F	Pantmawr Road to Aneurin Bevan (Via A470)	On road and off road measures	To be developed
Connector Routes	CR 4G	Excalibur Drive to Aneurin Bevan (Via A469)	On road and off road measures	To be developed
Connector Routes	CR 4H	Aneurin Bevan to Blackweir Ambulance Station (Via A470)	On road and off road measures	To be developed
Connector Routes	CR 4I	Blackweir Ambulance Station to Boulevard De Nantes	On road and off road measures	To be developed
Connector Routes	CR 4J	Waterloo Road	On road and off road measures	To be developed
Connector Routes	CR 4K	Ocean Way	On road and off road measures	To be developed
Connector Routes	CR 4L	Lewis Road	On road and off road measures	To be developed
Connector Routes	CR 4M	Pen-Y-Lan Road/Cyncoed Road	On road and off road measures	To be developed
Connector Routes	CR 4N	Roath Park Roundabout (North) to Roath Park Roundabout (Middle)	On road and off road measures	To be developed
Connector Routes	CR 4O	Roath Park Roundabout (Middle) to Cathays Library	On road and off road measures	To be developed
Connector Routes	CR 4P	Roath Park Roundabout (Middle) to The Flora	On road and off road measures	To be developed
Connector Routes	CR 4Q	Crwys Road	On road and off road measures	To be developed
Connector Routes	CR 4R	Richmond Road and Fitzalan Place	On road and off road measures	To be developed
Connector Routes	CR 4S	James Street (Taff Trail to Cardiff Bay Flourish)	On road and off road measures	To be developed
Connector Routes	CR 4T	Dumballs Road	On road and off road measures	To be developed

Connector Routes	CR 4U	Pen-Y-Lan to Pontprennau (via Llanedeyrn Drive)	On road and off road measures	To be developed

North East Cardiff Active Travel Network				
Route Name	Scheme Reference	Location	Scheme Description	Status
Llanishen High School to Ewenny Road Section 1	EW1A	Heol Hir to Fishguard Road	Improvements including removal of pinch points/parking, footway widening, reducing corner radii and provision of crossing points.	To be developed
Llanishen High School to Ewenny Road Section 2	EW1A	Fishguard Road to Ewenny Road	Improvements including cycling facility upgrades, removal of pinch points/parking, footway widening, reducing corner radii, modal filter and provision of zebra crossing.	To be developed
Everest Avenue to Rhydypennau Road Section 1	EW1B	Everest Avenue to Ewenny Road	Improvements including footway widening/resurfacing/provision, reducing corner radii, drop kerbs, addressing pavement parking and provision of parallel crossing points.	To be developed
Everest Avenue to Rhydypennau Road Section 2	EW1B	Ewenny Road to Rhydypennau Road	Improvements including removal of access barriers, widening and resurfacing of route to AT design standards and investigating provision of lighting (possible ecological constraints).	To be developed
Rhydypennau to Cyncoed and Llanedeyrn 1	EW2	Rhydypennau Road to Wern Goch Road	Improvements including changes to better reflect active travel desire lines, modal filters, side road treatments, crossing points, removing access barriers and signage.	To be developed
South Llanedeyrn	EW2A	Springwood Primary School to Roundwood	Improvements including resurfacing, replacing steps with ramps, removing access barriers, footway widening, provision of crossing facilities and signage.	To be developed
Llanedeyrn Powerhouse and central Llanedeyrn	EW2B	Wern Goch Road to Coed-y-Gores (South)	Improvements including resurfacing, replacing steps with ramps and investigating at grade crossing, removing access barriers, footway/path widening, provision of crossing facilities, drainage and signage.	To be developed
North Llanedeyrn	EW2C	Wern-Goch Road to Coed-y-Gores (North)	Improvements including resurfacing, replacing steps with ramps and investigating at grade crossing, removing access barriers, footway/path widening, provision of crossing facilities (including at-grade crossing) and surfacing for active travel desire line.	To be developed

Bettws-y-Coed Road to Pentwyn Road	EW3-1	Dan-y-Coed Road to Woodvale Avenue	Improvements including removal of pavement parking, side road treatments, drop kerbs and review of driveway access, footway widening, reducing corner radii, signage and provision of crossings.	To be developed
Bettws-y-Coed Road to Pentwyn Road	EW3-2	Woodvale Avenue to Bryn Celyn Park	Improvements including creation of dedicated cycle connection, resurfacing, drainage, removal of access barriers, widening path, review of lighting and signage.	To be developed
Bettws-y-Coed Road to Pentwyn Road	EW3-3	Bryn Celyn Park to Pentwyn Road	Improvements including crossing upgrades (including at-grade crossing), path widening, drop kerbs, dedicated segregated provision, replacing steps with ramp, removing access barrier and surfacing active travel desire line.	To be developed
Corpus Christi RC High School - Pontprennau - north Pentwyn	EW4A	Pentwyn Road to Clos y Gelyn	Improvements including crossing upgrades (including at-grade crossing), removal of access barriers and leaf litter, route widening, provision of ramp access, drainage and signage.	To be developed
Corpus Christi RC High School - Pontprennau - north Pentwyn	EW4A	Clos y Gelyn to Maes y Bryn	Improvements including crossing provision/upgrades (including at-grade crossing), resurfacing, removal of access barriers and vegetation, route widening, step removal/provision of ramp access, drop kerb/modal filter and signage.	To be developed
Corpus Christi RC High School - north east Pontprennau	EW4B	Corpus Christi RC High School to Almond Drive	Improvements including review of key junction, drop kerb for shared path, route widening, preventing pavement parking and/or park and stride for school, provision of crossings and continuous footways, reducing corner radii and removing access barriers.	To be developed
Corpus Christi RC High School - Cyncoed	NS1A	Corpus Christi RC High School to Cyncoed Road (Celyn Ave) via Rhydypennau Roundabout	Improvements including review of key junctions and road space allocation, preventing pavement parking, provision of crossings and side road treatments, reducing corner radii, provision of segregated cycleway and removing pinch points/providing cycle bypasses.	To be developed
Corpus Christi RC High School - Cyncoed - Roath - Cathays - Heath	NS1B	Cyncoed Road/Rhydypennau Road Roundabout to Roath Park Roundabout	Improvements including review of roundabouts/dutch roundabout solution, footway widening/continuous footway, surfacing, provision of crossings, road space reallocation and segregated cycleways and signage.	To be developed

Pontprennau Primary School to Llanedeyrn Primary School	NS2A South	Queenswood to Circle Way East	Improvements including ramp provision, continuous footways, surfacing, removal of access barriers, provision of crossing (including at grade), footway and ramp widening and signage.	To be developed
Pontprennau Primary School to Llanedeyrn Primary School	NS2A Middle	Circle Way East to Pentwyn Road	Improvements including junction review and provision for desire line, route/footbridge widening, removal of access barriers, provision of crossings (including at-grade) and signage.	To be developed
Pontprennau Primary School to Llanedeyrn Primary School	NS2A North	Pentwyn Road to Pontprennau Primary School	Improvements including provision/upgrade of crossings, traffic calming, removal of access barriers, reduction of corner radii and signage.	To be developed
South of Llanedeyrn - Penylan	NS2B	Llanedeyrn Drive to Clarendon Road	Improvements including removal of access barrier, resurfacing, removal of steps/ramp provision, route widening and signage	To be developed
Llanedeyrn - Pentwyn - North-West Pontprennau	NS2C South	Chapelwood to Circle Way East	Improvements including removal of access barriers, drop kerbs, continuous footways, ramp improvements/provision, provision of crossings, surfacing and signage.	To be developed
Llanedeyrn - Pentwyn - North-West Pontprennau	NS2C Middle	Circle Way East to Bryn Celyn Park	Improvements including removal of access barriers, route widening, lighting investigation, drainage and signage.	To be developed
Llanedeyrn - Pentwyn - North-West Pontprennau	NS2C North	Wern Goch to Butterfield Park	Improvements including removal of access barriers, route widening, reduction of corner radii, provision of crossing and signage.	To be developed
Bryn Celyn Park - Pentwyn East	NS2D	Bryn Celyn Park to Clos y Gelyn	Improvements including crossing upgrades, reallocation of road space for active travel, replacing steps with ramps, surfacing, provision of continuous route, removal of access barriers, broken fencing and leaf litter, lighting investigation and signage.	To be developed

Active Travel Schools/School Neighbourhoods Projects				
School Name	Scheme Reference	Location	Scheme Description	Status
Adamsdown Primary School	ATS1	System Street, Adamsdown	Planned School Street plus wider journey to school/local active travel measures	To be developed
Albany Primary School	ATS2	Albany Road, Plasnewydd	Planned School Street plus wider journey to school/local active travel measures	To be developed
All Saints C.W Junior & Infant School	ATS3	Ael-Y-Bryn, Pentwyn	Scheme to be developed	To be developed
Allensbank Primary School	ATS4	Llanishen Street, Gabalfa	Planned School Street plus wider journey to school/local active travel measures	To be developed

Baden Powell Primary School	ATS5	Muirton Road, Splott	School Safety Zone plus wider journey to school/local active travel measures	To be developed
Birchgrove Primary School	ATS6	Birchgrove, Heath	To be developed	To be developed
Bishop Childs C.W Primary School	ATS7	Willowbrook Drive, Trowbridge	To be developed	To be developed
Bishop of Llandaff C.W High School	ATS8	Rookwood Close, Llandaff	To be developed	To be developed
Bryn Celyn Primary School	ATS9	Bryn Celyn, Pentwyn	School Safety Zone plus wider Journey to school/local active travel measures	To be developed
Bryn Deri Primary School	ATS10	Cae'r Graig, Radyr/ Morganstown	School Safety Zone plus wider journey to school/local active travel measures	To be developed
Bryn Hafod Primary School	ATS11	Blagdon Close, Llanrumney	School Street complete - wider journey to school/local active travel measures needed.	To be developed
Bryn Y Deryn Pupil Referral Unit	ATS12	Cefn Road, Llandaff North	To be developed	To be developed
Cantonian High School	ATS13	Fairwater Road, Fairwater	Plan for on-site and off site active travel instructure as part of new 21st C school plus wider journey to school/local active travel measures	In development
Cardiff and Vale College	ATS14	Dumballs Road, Butetown	To be developed	To be developed
Cardiff High School	ATS15	Llandennis Road, Cyncoed	To be developed	To be developed
Cardiff Muslim School	ATS16	Merthyr Street, Cathays	To be developed	To be developed
Cardiff West Community High School	ATS17	Penally Road, Caerau	To be developed	To be developed
Cathays High School	ATS18	Crown Way, Gabalfa	Plan for on-site and off site active travel instructure as part of new 21st C school plus wider journey to school/local active travel measures	In development
Cathedral School	ATS19	Cardiff Road, Llandaff	To be developed	To be developed
Christ the King RC Primary School	ATS20	Everest Avenue, Llanishen	To be developed	To be developed
Coed Glas Primary School	ATS21	Ty Glas Avenue, Llanishen	School Safety Zone plus wider journey to school/local active travel measures.	To be developed
Corpus Christi Catholic High School	ATS22	Ty Draw Road, Pontprennau	To be developed	To be developed
Coryton Primary School	ATS23	Hollybush Estate, Whitchurch/ Tongwynlais	Planned school street plus wider journey to school/local active travel measures.	To be developed
Creigiau Primary School	ATS24	Tregarth Court, Creigiau/ St Fagans	School street done - wider journey to school/local active travel measures	To be developed
Danescourt Primary School	ATS25	Danescourt Way, Llandaff	School Safety Zone plus wider journey to school/local active travel measures.	To be developed
Eastern High	ATS26	Trowbridge Road, Trowbridge	Planned School Street plus wider journey to school/local active travel measures.	To be developed
Ely Presbyterian School (Pri + Sec)	ATS27	Archer Road, Ely	To be developed	To be developed
Fairwater Primary School	ATS28	Wellright Road, Fairwater	Plan for on-site and off site active travel instructure as part of new 21st C school plus wider journey to school/local active travel measures	In development
Fitzalan High School	ATS29	Lawrenny Avenue, Canton	Plan for on-site and off site active travel instructure as part of new 21st C school plus wider journey to school/local active travel measures	In development

Gabalfa Primary School	ATS30	Colwill Road, Llandaff North	Planned School Street plus wider journey to school/local active travel measures	To be developed
Gladstone Primary School	ATS31	Whitchurch Road, Cathays	School Street done but wider journey to school/local active travel measures needed.	To be developed
Glan-yr-Afon Primary School	ATS32	Browning Close, Llanrumney	School Street done but wider journey to school/local active travel measures needed.	To be developed
Glyncoed Primary School	ATS33	Glyn Coed, Pentwyn	School Safety Zone plus wider journey to school/local active travel measures.	To be developed
Grangetown Nursery	ATS34	Avondale Road, Grangetown	To be developed	To be developed
Grangetown Primary School	ATS35	Bromsgrove Street, Grangetown	To be developed	To be developed
Greenhill School	ATS36	Heol Brynglas, Rhiwbina	To be developed	To be developed
Greenway Primary School	ATS37	Llanstephan Road, Rumney	Planned School Street plus wider journey to school/local active travel measures.	To be developed
Hawthorn Primary School	ATS38	Hawthorn Road East, Llandaff North	To be developed	To be developed
Herbert Thompson Primary School	ATS39	Plymouth Wood Road, Ely	To be developed	To be developed
Holy Family RC Primary School	ATS40	Beechley Drive, Fairwater	To be developed	To be developed
Howardian	ATS41	Hammond Way, Penylan	Planned School Street plus wider journey to school/local active travel measures.	To be developed
Howells School	ATS42	Cardiff Road, Llandaff	To be developed	To be developed
Hywel Dda Primary School	ATS43	Cambria Road, Ely	Planned School Street plus wider journey to school/local active travel measures.	To be developed
Kings Monkton	ATS44	West Grove, Plasnewydd	To be developed	To be developed
Kitchener Primary School	ATS45	Kitchener Road, Riverside	Planned School Street plus wider journey to school/local active travel measures.	To be developed
Lakeside Primary School	ATS46	Ontario Way, Cyncoed	School Street done but wider journey to school/local active travel measures needed.	To be developed
Lansdowne Primary School	ATS47	Norfolk Street, Canton	School Street done but wider journey to school/local active travel measures needed.	To be developed
Lisvane / Llysfaen Primary School	ATS48	Rowan Way, Lisvane	Crossings plus wider journey to school/local active travel measures	To be developed
Llandaff C.W Primary School	ATS49	Hendre Close, Llandaff	School Street done but wider journey to school/local active travel measures needed	To be developed
Llanederyn Primary School	ATS50	Wellwood, Pentwyn	School Safety Zone plus wider journey to school/local active travel measures.	To be developed
Llanishen Fach Primary School	ATS51	Heol Uchaf, Llanishen	Crossings plus wider journey to school/local active travel measures	To be developed
Llanishen High School	ATS52	Heol Hir, Llanishen	School gate measures plus wider journey to school/local active travel measures.	To be developed
Marlborough Primary School	ATS53	Agincourt Road, Penylan	To be developed	To be developed

Mary Immaculate Catholic High School	ATS54	Caerau Lane, Caerau	To be developed	To be developed
Meadowbank School	ATS55	Colwill Road, Llandaff North	Planned School Street plus wider journey to school/local active travel measures.	To be developed
Meadowlane Primary School	ATS56	Heol Maes Eirwg, Trowbridge	Crossings plus wider journey to school/local active travel measures	To be developed
Millbank Primary School	ATS57	Clarke Street, Caerau	To be developed	To be developed
Moorland Primary School	ATS58	Moorland Road, Splott	School gate, school journey and wider local active travel measures	To be developed
Mount Stuart Primary School	ATS59	Adelaide Street, Butetown	School gate, school journey and wider local active travel measures	To be developed
Ninian Park Primary School	ATS60	Virgil Street, Grangetown	School gate, school journey and wider local active travel measures	To be developed
Oakfield Primary School	ATS61	Ferntree Drive, Trowbridge	School gate, school journey and wider local active travel measures	To be developed
Pencaerau Primary School	ATS62	Cyntwell Avenue, Caerau	School Street done but wider journey to school/local active travel measures needed	To be developed
Pentrebane Primary School	ATS63	Beechley Drive, Fairwater	To be developed	To be developed
Pentyrch Primary School	ATS64	Bronllwyn, Pentyrch	School Safety Zone plus wider journey to school/local active travel measures.	To be developed
Pen-y-Bryn Primary School	ATS65	Dunster Road, Llanrumney	School Safety Zone plus wider journey to school/local active travel measures.	To be developed
Peter Lea Primary School	ATS66	Carter Place, Fairwater	School Street done, but wider journey to school/local active travel measures needed	To be developed
Pontprennau Primary School	ATS67	Heol Pontprennau, Pontprennau	To be developed	To be developed
Radnor Primary School	ATS68	Radnor Road, Canton	Planned School Street plus wider journey to school/local active travel measures.	To be developed
Radyr Comprehensive School	ATS69	Heol Isaf, Radyr	School Safety Zone plus wider journey to school/local active travel measures.	To be developed
Radyr Primary School	ATS70	Park Road, Radyr	School gate, school journey and wider local active travel measures	To be developed
Rhiwbina Primary School	ATS71	Lon Ucha, Rhiwbina	Planned School Street plus wider Journey to School Measures	To be developed
Rhydypenau Primary School	ATS72	Fidlas Avenue, Cyncoed	School Safety Zone plus wider journey to school/local active travel measures	To be developed
Riverbank School	ATS73	Vincent Road, Caerau	School Safety Zone plus wider journey to school/local active travel measures	To be developed
Roath Park Primary School	ATS74	Pen-Y-Wain Road, Plasnewydd	School Safety Zone plus wider journey to school/local active travel measures	To be developed
Rumney Primary School	ATS75	Barmouth Road, Rumney	School Safety Zone plus wider journey to school/local active travel measures	To be developed
Severn Primary School	ATS76	Severn Road, Riverside	Planned School Street plus wider Journey to School Measures	To be developed
Springwood Primary School	ATS77	Pennsylvania, Pentwyn	School Safety Zone plus wider journey to school/local active travel measures	To be developed

St Alban's RC Primary School	ATS78	Mona Place, Splott	Planned School Street plus wider journey to school/local active travel measures.	To be developed
St Bernadette's RC Primary School	ATS79	Bryn Heulog, Pentwyn	Scheme to be developed	To be developed
St Cadoc's RC Primary School	ATS80	Shaw Close, Llanrumney	School gate, school journey and wider local active travel measures	To be developed
St Cuthbert's RC Primary School	ATS81	Letton Road, Butetown	School Street done, but wider journey to school/local active travel measures needed	To be developed
St David's C.W Primary School	ATS82	Bryn Celyn, Pentwyn	School gate, school journey and wider local active travel measures	To be developed
St David's Catholic Sixth Form College	ATS83	Ty-Gwyn Road, Penylan	Scheme to be developed	To be developed
St Fagans C.W Primary School	ATS84	Drope Road, Ely	Scheme to be developed	To be developed
St Francis RC Primary School	ATS85	Wilson Road, Ely	School gate, school journey and wider local active travel measures	To be developed
St Illtyd's Catholic High School	ATS86	Newport Road, Rumney	Scheme to be developed	To be developed
St John Lloyd RC Primary School	ATS87	Brynbara Way, Trowbridge	Planned School Street plus wider Journey to School Measures	To be developed
St Johns College	ATS88	William Nichols Drive, St. Mellons	Scheme to be developed	To be developed
St Joseph's RC Primary School	ATS89	North Road, Gabalfa	School gate, school journey and wider local active travel measures	To be developed
St Mary The Virgin C.W Primary School	ATS90	North Church Street, Butetown	School Safety Zone plus wider journey to school/local active travel measures	To be developed
St Mary's RC Primary School	ATS91	Wyndham Crescent, Riverside	School gate, school journey and wider local active travel measures	To be developed
St Mellons C.W Primary School	ATS92	Dunster Road, Llanrumney	School gate, school journey and wider local active travel measures	To be developed
St Monica's C.W Primary School	ATS93	Whitchurch Road, Cathays	School gate, school journey and wider local active travel measures	To be developed
St Patrick's RC Primary School	ATS94	Lucknow Street, Grangetown	School Safety Zone plus wider journey to school/local active travel measures	To be developed
St Paul's C.W Primary School	ATS95	Oakley Place, Grangetown	Planned School Street plus wider journey to school/local active travel measures.	To be developed
St Peter's RC Primary School	ATS96	Southey Street, Plasnewydd	School Street done but wider school journey and local active travel measures needed.	To be developed
St Phillip Evans RC Primary School	ATS97	Coed-Y-Gores, Pentwyn	School gate, school journey and wider local active travel measures	To be developed
St Teilo's C.W High School	ATS98	Circle Way East, Pentwyn	Scheme to be developed	To be developed
Stacey Primary School	ATS99	Stacey Road, Adamsdown	Planned School Street plus wider journey to school/local active travel measures.	To be developed
The Court School	ATS100	Station Road, Llanishen	School gate, school journey and wider local active travel measures	To be developed
The Hollies School	ATS101	Bryn Heulog, Pentwyn	School gate, school journey and wider local active travel measures	To be developed
The Marion Centre/BoL	ATS102	Rookwood Close, Llandaff	School gate, school journey and wider local active travel measures	To be developed

Thornhill Primary School	ATS103	Heol Hir, Llanishen	School gate, school journey and wider local active travel measures	To be developed
