Scope of Scrutiny

3. On 23 September 2021 the Cabinet will consider the attached report presenting the findings of the consultation process, the draft vision and objectives for the Replacement Local Development Plan and draft Integrated Sustainability Appraisal Scoping Report which will be used to assess the plan.

4. The Local Development Plan (LDP) is a major Council policy. As such, it is essential that it is subject to robust scrutiny. Consequently, the five Scrutiny Chairs have agreed that each Scrutiny Committee will individually consider the September Cabinet Report as relevant to their own terms of reference. Following the scrutinies, a collective letter will capture the concerns and observations of all five committees in a letter to the Cabinet. Going forward, Chairs consider it will be good practice to pool scrutiny expertise from all committees and continue a culture of collaboration, whilst recognising that issues will emerge from the September committees that determine the best way forward. They have therefore programmed further discussion of the best approach for maximising the impact of scrutiny based on the outcome of these five initial scrutinies.

5. During scrutiny of this report, Members are reminded to stay within the remit of the Committee's terms of reference and will have the opportunity to explore:
 - i. The proposed vision and objectives;
 - ii. The consultation process undertaken – including methods used, level of responses and how representational they are;
 - iii. Whether there are any risks to the Council;
 - iv. The timeline and next steps for delivering the Replacement Local Development Plan;
 - v. The recommendations to Cabinet.
 - vi. The deliverability of affordable housing, placemaking and neighbourhood renewal within the proposals;
 - vii. The intentions and capacity requirements for local health and well-being infrastructure and toward addressing homelessness.

Members will note that this list is not intended to be exhaustive, however are reminded to consider the papers within the Committee's terms of reference.

Background

6. The Cardiff Local Development Plan (LDP) was adopted by the Council on 28th January 2016 and sets out the Council's planning framework for the development and use of land in the city over the period 2006 to 2026. An up-to-date LDP is an essential part of the planning system in Wales and statutory measures are in place to manage the Plan review process. In this respect, the Council is required under Section 69 of the Planning and Compulsory Purchase Act 2004 to undertake a full review of the adopted LDP at intervals not longer than every 4 years from the date of adoption.
7. The first stage in a review process is the publication of a draft Review Report and draft Delivery Agreement which puts forward the procedure for preparing a Replacement LDP.
8. The Delivery Agreement outlines the key areas of work that the Council needs to account for in preparation for the replacement LDP, the tools that will be used, key legislative and non-statutory considerations along with evidence-based assessment that will be undertaken or considered. The Delivery Agreement also contains the Replacement LDP's Community Involvement Scheme which specifies how and when the Council will provide opportunities for consultees and the local community to be involved in the process.
9. The Council's Final Review Report concluded that the full revision procedure would be the most appropriate option and that a replacement LDP be prepared for the period 2021-2036. At their meetings on the 18th March 2021, Cabinet and Council agreed and approved the Final Review Report and Final Delivery Agreement and authorised their submission to Welsh Government, who subsequently approved both documents on the 30th March 2021.

Timetable to deliver a Replacement Local Development Plan

10. Delivering a successful replacement LDP will span three and a half years, from Welsh Government and Council approval of the Delivery Agreement in March 2021, to Adoption by the Council in October 2024. The following diagram illustrates the stages.

Cardiff Replacement Local Development Plan – Statutory Requirements

11. The aims of the Replacement LDP are to:

- Deliver sustainable development;
- Reflect local aspirations for the city, based on a vision agreed by the local community and other stakeholders;
- Provide a basis for rational and consistent development management decisions;
- Guide growth and change, which positively impacts health and wellbeing while protecting local diversity, character and sensitive environments; and
- Show how and where change will occur over the Replacement Plan period.

12. In preparing the Replacement LDP, the Council must also take account of:

- A wide range of legislation, policies and other initiatives, at European, national and local levels of government and;
- Relevant social, economic and environmental considerations.

13. In addition, the Planning and Compulsory Purchase Act 2004 Act (as amended by 2015 Act) requires the Council, in preparing the Replacement LDP, to have regard to:

- Current national policies:
- Strategic Development Plan for the area
- The National Development Framework for Wales; and
- The resources likely to be available for implementing the Replacement Plan.

Cardiff Replacement Local Development Plan – Vision & Objectives

14. The Replacement LDP will need to respond to key issues in Cardiff and be guided by an over- arching vision and supporting objectives. The agreed vision and objectives will set the context for the plan and ensure a balance between economic, social and environmental objectives to help deliver sustainable development over the plan period. Further information on the proposed vision and objectives for consideration is detailed in **points 4-9 of Appendix A** and **Appendix 1**.

15. The response to the consultation along with the vision and objectives set out in **Appendix 1** will form part of the Preferred Strategy which will be considered by the Council in the Autumn of 2022. The Preferred Strategy will also contain strategic options considered and the preferred spatial strategy together with relevant supporting information.

Integrated Sustainability Appraisal Report

16. **Appendix 2 to Appendix A** is the Integrated Sustainability Appraisal (ISA) Scoping Report which will be used to assess the Replacement Plan. Its purpose is to identify the likely significant economic, social, environmental and cultural effects of the emerging RLDP, and to suggest measures to minimise any negative effects and maximise the positive ones.
17. The ISA covers sustainability appraisal / strategic environmental assessment, equalities assessment, Welsh language, and health impact assessment.
18. There are five stages/tasks to producing the ISA and its development will take place alongside the development of the Replacement LDP. The report at **Appendix 2** is Stage A and has supported the Delivery Agreement and evidence gathering and stakeholder involvement on key issues.
19. A diagram explaining the integration of the Sustainability Appraisal at each stage of the LDP plan-making journey can be found on page 5 of **Appendix 2**, figure 1.2.

Consultation on the Replacement LDP vision, issues, objectives and draft Integrated Sustainability Appraisal

20. An online, public consultation took place from 28th May to the 23rd July 2021 and sought feedback on the following;
- Draft vision and objectives for Replacement LDP
 - Call for Candidate Sites
- Members are to note the call for Candidate Site was a separate consultation which ended on 20 Aug 2021.*
- Draft Scoping report of Integrated Sustainability Appraisal (ISA).

21. The consultation lasted 8 weeks and generated a total 1,215 responses from the public along with comments submitted by 83 local organisations. Further information on the consultation is contained in:

- **points 7 & 8 of Appendix A;**
- **Appendix 3; Part 1** sets a summary of the public questionnaire;
