## **Budget Strategy 2022/23**

Budget Gap of £21.3 million next year and £80.9 million over the next four years

#### **Key Funding Announcements**

- 27<sup>th</sup> October UK Budget and Comprehensive Spending Review
- 21st December Provisional Settlement

#### Key Work Streams over the Autumn

#### Savings

- Proposals required in respect of any remaining shortfalls to savings targets
- Further detail and due diligence required at pace on all savings proposals to ensure that proposals are robust and deliverable on time

#### Financial Modelling

- Refine work on demand pressure Social Services, Pupil Numbers (Sept on roll), FSM, CTRS gage any impact of JRS ending
- Inflation monitor CPI and any announcements in UK Budget (e.g. NLW) with potential implications for commissioned service costs in 2022/23
- Address issues inherent in the Month 4 monitoring position per previous slide
- Further work on financial recovery of services, especially income funded areas quantify risk and sensitivity analysis for 2022/23 position
- Consider construction materials supply and pricing pressures impact on capital schemes and maintenance budgets, and identification of mitigations to manage these within existing resources

Other - Commence work on Fees and Charges proposals for 2022/23

#### Capital

- Not looking to expand our own funding (borrowing / capital receipts). Needs to be focussed consideration of priorities, as well as a realistic assessment of the capacity to deliver proposed schemes
- New schemes should be limited to external funding sources or ITS/ITE. Any ITS / ITE must be robust.
