3.11 Welsh Language

CARDIFF COUNCIL

Equality Impact Assessment Corporate Assessment Template

Will this Policy/ Strategy/Project/Procedure/Service/Function have a **differential impact (positive/negative)** on the Welsh Language?

	Yes	No	N/A
		X	

Please give details/ consequences of the differential impact, and provide supporting evidence, if any.

The Council does not expect any differential impact on the Welsh Language from this proposal.

The proposal would not change the number of Welsh-medium secondary school places available in the area.

Welsh is taught in English-medium schools in line with the National Curriculum. This would continue to apply if Cathays High School was expanded.

The Council works closely and constructively with partners on its Welsh Education Forum (WEF). The forum includes representatives of nursery, primary, secondary and further education, childcare, RhAG and the Welsh Government. It actively informs the planning of Welsh-medium places. It also supports the Council's plan to sustainably increase the number of Welsh learners. This includes learners in Welsh-medium schools and those learning Welsh in English-medium schools.

The Council and the Welsh Education Forum are committed to driving the increase in the number of pupils in Welsh-medium education. They aim to meet the targets within Cardiff's Welsh Education Strategic Plan (WESP) and set out in the Welsh Government's Cymraeg 2050 strategy.

The Council monitors birth rates, the number of extra pupils that may come from new housing and the patterns of how many pupils are in Welsh-medium schools. This allows the Council to bring forward suitable plans to deal with any increase in demand.

Forecasts suggest that extra places will also be needed in Welsh-medium secondary schools. Separate proposals will be brought forward to address this. This will be at an appropriate time to ensure there are enough places available.

The Council must make sure that the expansion of school provision is brought forward in a strategic and timely manner.

These proposals do not include opportunities to develop Welsh medium ALN provision. The Council is taking separate steps to expand specialist ALN provision in the Welsh medium sector. This is through the WESP, the Educational Tribunal (ALNET) Act Regional Implementation Plan and the Cardiff

CARDIFF COUNCIL

ALN Strategy.

Since 2016 the number of SRB places for Welsh medium learners has increased from 20 SRB places at Ysgol Coed Y Gof to 60 SRB places between Ysgol Coed Y Gof and Ysgol Gymraeg Pwll Coch. At January 2019, about 25 SRB places will be taken up. There is spare capacity for growth in the Welsh-medium sector of up to 35 places.

In addition to these, a Welsh-medium primary 'wellbeing class' was established in 2016-17. It offers 6 month placements for up to 8 pupils in each year group with significant emotional health and wellbeing needs and 26 assessment/ 'Pupil Referral Unit -type' places.

In January 2018, a secondary 'virtual Pupil Referral Unit' offering specialist support to pupils learning through the medium of Welsh, at risk of exclusion was established, offering places for up to 18 pupils in each year group in the three Welsh medium secondary schools. These are sufficient to meet demand.

The Council is keeping capacity under review and will take steps to extend places in response to pupil needs.

In addition to the establishment of a greater number of places for learners in Cardiff with ALN, the Council are leading on the ALNET Regional Implementation Plan, Priority 7. This is to 'Review and improve Welsh medium provision and specialist support to increase regional capacity to support ALN'.

The objectives are to:

- Analyse how widespread ALN and the level of need are in the Welsh-medium sector. This will look at each local authority across the region (Cardiff, Vale of Glamorgan, Bridgend, Rhondda Cynon Taf, Merthyr);
- Map what Welsh-medium provision and support is available across the region;
- Increase sharing of good practice for ALN in the Welsh medium sector;
- Ensure that the ALNET Regional Implementation Plan supports and complements regional WESP priorities.

What action(s) can you take to address the differential impact?
