Dear whom it may concern ,

I have had discussions with officer [redacted] about my application . I wish to add some recommendations to the application as highlighted below .

Also I confirm that I wish to surrender the current existing Licence CCCP00345 if I am successful with this application .

We will be running a Srilankan and Indian cuisine restaurant business. We will be providing dine in option with tables and seats with a maximum capacity of 25 people.
We will also be providing takeaway options . We will be delivering with Just Eat and Deliveroo from 5pm to the last orders for delivery being taken at 10.30pm. We will not be delivering any alcohol .

The restaurant will be open until 1am on weekdays and 3am on weekends . However, after 11.30 pm we will not be accepting any new customers for fine dining .After 11.30 pm we will lock the door and only allow the exit of the customers already present and the entry of takeaway customers.Most of our fine dining customers will be coming through booking. The option for customers to walk in and order for takeaway will be available every day.

In terms of alcohol , we will only be providing alcohol with food. There will be no option to buy alcohol as a single item for both our fine dining customers and our takeaway customers . Our policy is that no open alcohol can be taken outside . If alcohol is being bought for consumption off premises then it will only be closed alcohol.

The alcohol will be stored behind the counter in a small appetiser fridge which can only be accessed by staff .

Also , for the safety of our neighbours after 12am our policy is that only customers in the restaurant for fine dining will be given bottled alcohol . Takeaway customers will only be given canned alcohol after midnight. For every service we will advise the customer not to open the alcohol on the road .

As mentioned before . The food business is our main focus . The on and off license is just a backup for the food business.

The main reason we are asking for an extended hot food serving and on and off license is mainly for our private occasion customers and takeaway customers . We do not know specifically what days we may get a private occasion booking and we would really like to be able to provide for these bookings.

We have many celebrations our restaurant could be used throughout the year . Like diwali and navratri in October and November , south asian new year in april , south asian harvest festival season in january and festivities like christmas.

Our bookings for parties will mainly be from the south asian community and their bookings are usually from 11 until 2 to 3 . The style of the party is not clubbing but a decent get together with a few drinks .

The customers are asking for late bookings for get togethers and celebrations and also late takeaway options as their jobs only allow them to attend at this time . I know this from my experience of running the same style of restaurant on coburn street .

As mentioned before we don't know specifically what days we may get a private occasion booking and that's why we are requesting extended license times every day .

For customer safety there will be a DPS license holder present at all times in the premises. Our policy for alcohol sales is no ID no sales and the Challenge 25. We will be keeping CCTV and all the recordings can be accessed for 30 days . Only authorised people like me and the manager can access the footage. Records will be taken of people attending the late night private occasion bookings.

To minimise noise nuisance we will make sure that foods are prepared before 12am this will reduce the noise from equipment like the cooking extractor. Also after 12am the customers present in the premises will mainly be customers coming in for takeaway .This means there will be very minimal noise from use of premises .

Overall , our request on this application is to be able to serve hot food from 11am until 3am every day . This will include serving takeaway and private occasion bookings for fine dining . We are also requesting an extended on and off alcohol premises license until 3am every day.

I've put in so much effort to develop business at this premises and have not been successful . I am really passionate about this food business and this premises license will allow me to succeed . I would really appreciate your help and I promise to not misuse this license .

Many thanks ,

RE: APPLICATION FOR THE GRANT OF A PREMISES LICENCE UNDER THE LICENSING ACT 2003 CURRY HUT 96 SALISBURY ROAD CATHAYS CARDIFF CF24 4AE

I write further to the revision submissions from the applicant dated 26 October 2021, attached.

It is the intention of the responsible authority to object to this submission on prevention of public nuisance grounds, given the locality of residential premises and proposed operations. Reading the submission and what is being requested, it could lend itself to operate lawfully until 0300 each day and not just during the seasonal variations. The applicant has failed to demonstrate how the operations until 0300 each day would promote the prevention of public nuisance. Although the premises sits amongst similar operations, the intensification and hours of what is being proposed 7 days a week is disproportionate to the needs of residents, and not in line with similar operations.

Although there has been discussion on the sound proofing to the walls and ceilings, the site visit highlighted that the plasterboard to the ceiling had been cut away to make space for air conditioning unit and so compromising the sound proofing. No further information has been provided on the sound proofing to justifying late night refreshment and sale of alcohol on the premises until 0300 hours.

However, should the applicant confirm their agreement with the below proposed conditions and timings, I will withdraw my objection:

Sale of Alcohol

Sunday – Thursday:- 11 – 0030 hours;

Friday – Saturday:- 11 – 0230 hours;

Late Night Refreshment

Sunday – Thursday 2300 – 0100 hours;

Friday – Saturday 2300 – 0300 hours.

In addition the following conditions:

The movement of bins, glass disposal and rubbish will not be undertaken between 2100 hours and 0900 hours in order to avoid disturbance.

I have reviewed the objections from SWP Licensing Officer Claire Dewhurst, and agree with the conditions proposed for the prevention of public nuisance, namely conditions 2, 4-11 from document signed headed paper-curry hut.pdf dated 22 10 21.

Dear ,

I am writing to confirm my agreement with the below proposed conditions and timings .

I would just like to provide you with further information about the AC unit as requested . The main ceiling is made from the soundproof plasterboards . I have requested the invoice from the supplier so that I can give you the name of the exact material . We created a second ceiling shaped like a star as a decoration and put the AC unit in there . We haven't cut a hole in the main ceiling with the sound proofing .

Many thanks ,

Dear whom it may concern ,

I have had discussions with officer about my application . I wish to add some recommendations to the application as highlighted below .

Also I confirm that I wish to surrender the current existing Licence CCCP00345 if I am successful with this application .

We will be running a Srilankan and Indian cuisine restaurant business. We will be providing dine in option with tables and seats with a maximum capacity of 25 people.

We will also be providing takeaway options . We will be delivering with Just Eat and Deliveroo from 5pm to the last orders for delivery being taken at 10.30pm. We will not be delivering any alcohol .

The restaurant will be open until 1am on weekdays and 3am on weekends . In terms of alcohol , we will only be providing alcohol with food. There will be no option to buy alcohol as a single item for both our fine dining customers and our takeaway customers . Our policy is that no open alcohol can be taken outside . If alcohol is being bought for consumption off premises then it will only be closed alcohol.

The alcohol will be stored behind the counter in a small appetiser fridge which can only be accessed by staff .

To Whom it may concern

I am writing to object to the application below on behalf of Cllrs Merry, Ahmed and Weaver as Cathays Councillors and residents at Cardiff.

Curry Hut Cardiff

96 Salisbury Road

Cathays

Cardiff CF24 4AE

Statement of Relevant Licensable Activities which it is proposed will be carried on or from the premises together with the relevant times:

1. The sale by retail of alcohol for consumption on and off the premises: 24 hours a day, 7 days a week

2. The provision of late-night refreshment (indoors): Monday to Sunday: 23:00 to 05:00

We object to this application on the basis that it will not promote the Licensing objectives of:

The Prevention of Crime and Disorder;

Promoting Public Safety;

and the Prevention of Public Nuisance.

Salisbury Road is a residential street in a residential area and residents are already disturbed by anti-social behaviour related to alcohol consumption. I have been sent some details from South Wales Police regarding the levels of antisocial behaviour on Salisbury Road and am waiting for the police to give consent for their disclosure, but they do show numbers which can only get worse if this application is granted.

Residents have expressed concerns about this application and indicated they will object and the family at have asked to be included on my objection as they feel there are too many late-night licensed premises in their area and this application is one too many. They feel it would disturb their sleep and the amenity of the area even more that it is now with noise and antisocial behaviour already creating a problem there. is elderly and is very concerned that this late license will badly affect her health.

I understand from South Wales Police that the applicant might want to change the opening hours until 3am but, in our view, that is still too late in this largely residential area which will create an increase in disruptive behaviour from customers who have consumed even more alcohol after 11pm, who will be louder and likely to be more disruptive.

Cars picking up meals will also increase creating more noise into the early hours of the night.

Salisbury Road residents and the residents of the surrounding streets already have enough to put up with, this application if granted would have a very detrimental effect on them and on the Licensing Objectives and we ask the committee to reject this application.

Dear Sir or Madam,

I am writing to you to object to the application (Curry Hut Cardiff, 96 Salisbury Rd Cathays) for the consumption or selling of alcohol between the hours of 23:00-05:00. Although Cathays has a high population of students it also has a large residential community. Existing of elderly, couples and families with young children.

Cathays has enough problems with alcohol disturbances already. It will no doubt create more disturbance, rubbish and will be a hindrance on our already stretched police force.

Please really think about this application, if it is awarded to them surely other establishments in the area will want to be able to open later too.

From a resident that has lived in Cathays for fifty years, please do not allow this business to be awarded this application.

I look forward to hearing from you.

Many Thanks
