 - Pentyrch Community Council

16. Just over half (53.7%) of all the respondents supported the proposal to increase the capacity of Pentyrch Primary School from 140 to 210 places. About two out of five respondents did not agree with this part of the proposal.
17. However, when considering the 24 responses submitted by those identifying themselves as affiliated to Pentyrch Primary School, agreement with the proposal rises to 87.5%.
18. Around two in five (41.5%) of all respondents supported the proposal to establish nursery provision at the school, whilst over half (51.2%) stated they did not. When considering the 24 responses submitted by those identifying themselves as affiliated to Pentyrch Primary School, agreement with the proposal rises to 54.2%.

Views Expressed

19. Reasons for supporting the proposed changes included:
 - Expansion of the school would help retain a school within Pentyrch to serve the local community.
 - Nursery provision would support the growing needs of the community.
 - There is insufficient nursery provision for local residents.
 - The proposal allows children to enter the school environment earlier, which supports transition.
 - Continuity of provision in a school.
 - Concerns around standards of current private nursery provision.
 - More convenient for parents wishing to attend a local nursery class.

- Nursery place with wraparound care perceived as a positive for working families who currently need to travel outside Pentyrch to access this type of offer.
20. Whilst there was support for the development of the school there were a number of concerns raised related to the proposed increase in the capacity of the school from 140 to 210 school places:
- Traffic issues around the school site, including potential to exacerbate congestion, parking, pollution and danger to pedestrians
 - Lack of demand for additional primary school places
 - Disruption of construction period
21. A number of concerns were raised related to the proposal to establish nursery provision at the school:
- Traffic issues around the school site, including congestion, parking, pollution and danger to pedestrians
 - Lack of demand for nursery places
 - Stating support for the existing nursery provision in the village and the negative impact the proposal could have on this business
 - Potential job losses at private nursery
 - Part-time nursery places don't suit parents

Engagement with pupils at Pentyrch Primary School

22. Officers met virtually with pupils from years 3,4,5 and 6 from Pentyrch Primary School to discuss the proposals and gather their opinions.
23. The points raised by the pupils included the following:
- A school library would be of benefit to pupils as part of any changes to the school.
 - Would like a new hall for lunchtimes.
 - Where would the extension be built?
 - How would the build affect the play area/school yard; would not want to lose any of the playground or green space.

- When would the building works be done; would this be while pupils were in school?
- Would the old part of the school stay the same?
- Would part of the school be knocked down?
- What would happen to the existing nursery provision in the village?
- What would happen to clubs if the village hall closed?
- How many extra pupils would come to the school?
- It would be good to have more children at the school.
- A bigger school and new friends would be a good thing.
- If there are more children, there will be more friends
- Would older children be able to mix the younger ones?
- The school is too small.
