

COMMUNITY & ADULT SERVICES SCRUTINY COMMITTEE

17 OCTOBER 2022

COMMUNITY & ADULT SERVICES SCRUTINY COMMITTEE WORK
PROGRAMME 2022/23

Purpose of Report

1. The Council's Constitution (Scrutiny Procedure Rule 7) states that each Scrutiny Committee will set its own work programme. The Community & Adult Services Scrutiny Committee's terms of reference provide the Committee with the responsibility for the scrutiny of a number of specific service areas.
2. This report provides the Committee with the output from the Work Programming Forum, which took place on the 25 July 2022. The resulting list of items suggested at the forum has been populated into a calendar, attached at **Appendix 1**, for the Committee's consideration and approval.
3. Members attention is also drawn to the proposed Task & Finish Inquiries as detailed in **Appendix 2**, and **paragraph 13** of this report.

Background

4. Scrutiny plays an essential role in promoting accountability, efficiency and effectiveness in the Council's decision-making process and the way in which it delivers services. The main roles of the Scrutiny Committees are:

- Holding the Cabinet and officers as decision-makers to account.
 - Being a 'critical friend', through questioning how decisions have been made to provide a 'check and balance' to decision makers, adding legitimacy to the decision making process.
 - Undertaking reviews of Council services and policy.
 - Undertaking reviews to develop Council services and policies.
 - Amplifying the voice for citizens.
5. The Committee, at its induction meeting on 13 June 2022, agreed to the process of a Work Programming Forum to consider potential items for their consideration in 2022/23. With the Forum's proposals, being presented at a formal meeting of this Committee.
6. The Work Programme Forum took place on the 25 July 2022. At this meeting, Members considered 32 Items from the following sources:

 - II. The previous Committee's recommendations for future scrutiny (*Scrutiny Annual Report 2021/22*)
 - III. Executive Suggestions (*Cabinet Member & Directors*)

 - VI. Audit, Inspectorate and Regulatory reports
 - VII. Relevant public consultation responses, such as Ask Cardiff and Cardiff Research Centre consultations.
 - VIII. Forthcoming work from Welsh Government (*Programme for Government 2021-2026*)

7. At this meeting, Committee Members present also discussed that, to aid in focussing the agendas more effectively and maximising the impact of the scrutiny:

- Committee meetings would remain mindful of Wales Audit Office advice for scrutiny committees to achieve formal committee meetings within reasonable timeframes, whilst maintaining robust and appropriate levels of scrutiny across the terms of reference. Ensuring agendas are of a manageable size and that work occurs outside committee meetings. On average, this equates to agendas of formal meetings, consisting of no more than two substantial item, with a third smaller item if required.
- Items considered by the Committee will be based on issues that impact on Cardiff citizens and, enhance the work of the Council in delivering services to Cardiff citizens.
- Items will be prioritised to ensure quality over quantity, remaining mindful of achievability, deliverability and impact.
- In line with the Local Government and Election (Wales) Act, seek to increase input from the public, stakeholders, service providers and service users where appropriate and viable.
- The work programme will demonstrate flexibility to reflect changing priorities and provide space for emerging items over the year.

8. The resultant list of items from the Work Programme Forum, has been inputted into a Work Programme Calendar attached at **Appendix 1**. Members are requested at this meeting to consider the items for final approval.

9. Members are to note, in the interest of better public engagement, the Committee's Forward Plan will be published on the Council website. It will be refreshed on a quarterly basis and look ahead a minimum of 4 months.
