Appendix 2: Project Approval Process

- 1. Projects are proposed by service areas based on criteria and bound by the SPF Programme.
- 2. Service areas can choose to deliver projects by:
 - Undertaking a commissioning process (including open calls)
 - Establishing a grant scheme or mechanism (applicable to all sectors)
 - Providing a grant to a not-for-profit or public sector partner
 - Undertaking a procurement process
 - Delivering projects internally through staff and/or procurement
 - Sponsoring a submission from a partner not for profit organisation
- 3. Projects are subject to initial eligibility and questions relating to:
 - Organisational competence
 - Engagement with key stakeholders
 - Projects scored against fit with:
 - Stronger, Fairer, Greener Strategy
 - Well-being strategy performance measures
 - Wellbeing of Future Generations Act
 - Regional Financial Strategy
 - UKSPF Criteria
 - Deliverability (including ability to deliver monitoring requirements)

Summary of Process Post-Submission

- 4. Once projects are scored, they will be ranked according to score and projects will require a minimum score to progress. Projects will then be aligned with the Shared Prosperity Fund programme spend profile and approved on the basis that:
 - Spend should fit within the profile
 - The project is endorsed by appropriate Cabinet Member and Director
 - The project has the support of relevant key stakeholders / partners
