One Planet Cardiff – Council Action Plan

Review of Progress 2022

Action Plan Review - BUILDINGS

Council Impact

Estates Energy Efficiency

- 18% reduction since 2019/20
- 55% reduction since 2014

Net-Zero New build and Retrofit pilots in progress

Performance sensors/baselining measures in place

Detailed and costed Council Buildings programme and action plan being prepared for Cabinet Consideration

City Impact

Housing – 28% of City footprint Major Council flats retrofit programme progressing. Grant schemes in development with WG and Region

Increased Fuel Poverty and cost of living crisis challenges. Outreach beyond those in fuel poverty needed for major city impact – discussing possibilities with Cardiff Capital Region and others and Govt role acknowledged

Commercial Development

Strong Planning Policy Position Statement in Place Climate Change and Carbon at the heart of the new LDP

Action Plan Review – **MOBILITY**

Council Impact City Impact Collective emissions = 30% Council Operational total: Almost 40% of City Wide Emissions Fleet: **Transport White Paper: Electric Bus Fleet Operational** Significant EV's now operational incl 10 Waste Vehicles Almost 70 public EV chargers in place by Spring 2023 Charging infrastructure also in place at key sites Cycle priority and traffic calming strategy well advanced but Revised Fleet Strategy in preparation aiming for full transition with more to do over the next decade to low emission vehicles Rail electrification advancing **Grey Fleet:** Requires significant behaviour change from all alongside hard Cross Authority review underway – requires operational needs measures audit and HR policy examination

Commute:

Staff Incentives scheme developed Links with Hybrid working plans and on-line meetings Large numbers of staff still location based (esp schools)

Action Plan Review – SUPPLY CHAIN & PROCUREMENT

Council Impact

Dwarfs other emissions>80% of total

New Procurement Strategy in place:

Carbon and circular economy as central themes Signals to supply chains that Carbon will soon be a competitive factor in tender

Pilot Projects – designing out high carbon elements:

- Low/zero carbon road resurfacing
- Net zero new build school pilot project
- LED replacement buildings and street lighting

Next Steps:

Issue Directorate spend/carbon profiles and develop deeper understanding of high carbon impact spend areas.

Commence carbon literacy and training support for Specifiers.

Work with WG to improve impact assessment methodology

City Impact

Socially Sustainable Procurement Strategy Supports and stimulates wider change amongst suppliers

PSB partnership approach

Co-ordinated ambitions and messaging to the market being considered with our public sector partners in the city

Action Plan Review – Recycling and Waste

| Council Impact | City Impact |
|---|---|
| Minimal inclusion in WG carbon framework Disguises impressive track record | Wales amongst the leaders in the world |
| Action Plan for Further Improvements: Increase Recycling Participation and Capture Increase opportunities to recycle Improve the material quality of recycling sent for re-processing an Encourage and support the reuse and repair of materials. | Awareness raising and behaviour change support is a constant need |

Action Plan Review – Renewable Energy

| Council Impact | City Impact |
|---|---|
| Significant rooftop solar in place | Lamby Way Solar Farm complete Decarb benefits to Grid and Waste Water Treatment Works |
| Another tranche in development | Decard benefits to Grid and waste water freatment works |
| Plans for 2 new major renewables schemes being developed. | Cardiff Heat Network Under construction – reducing the need for gas/electricity for heating in the Bay |
| One could supply direct energy to operations and vehicles at Lamby Way (potentially significant impact) | Tidal Power Western gateway and CCR re-examining the case |

Action Plan Review – Green Infrastructure & Adaptation

Council Impact City Impact Coed Caerdydd Coed Caerdydd Increasing the City's tree canopy by 25% Increasing the City's tree canopy by 25% Direct impact where planting is on Council land Positive partnership working and outreach with planting on non-council land in progress – more opportunities needed and Challenges in finding space, long term management resource being explored and recording impacts appropriately (after planting matures) Flood Defence Schemes Sustainable Urban Drainage Schemes (SUDS) now starting to emerge as standard Bespoke schemes delivered (Greener Grangetown, Central

Square, Cathays Terrace, etc)

Updated Flood Defence Strategy in development

Action Plan Review – Food

| Council Impact | City Impact |
|---|---|
| Food Strategy: | City Growing Plans |
| Focus on Schools Food | Pilot community growing opportunities on Council land |
| Edible Playgrounds | £2.5m CCR funded innovation project for "local healthy food" |
| Study to optimise health and carbon benefits in menu planning | Local Development Plan Policy review to identify "food deserts" and |
| 40 School kitchen improvements by Christmas 22 | relevant policy response |

Action Plan Review – Behaviour Change & Engagement

Council Impact

Embedding Carbon in Council Decision Making

CEx level meetings to address cross cutting, complex issues

Staff engagement

Carbon Literacy Training Travel incentives Specifier Training

Schools and Youth Engagement

One Planet Schools Pledge Strengthening of network of advisors and support Cardiff Youth Council as Champions Curriculum integration of Climate Change Agenda
