# Specific Delegations to Statutory Officers: Corporate Director Resources FS28

In accordance with any policy or strategy decided by the Pensions Committee to approve decisions relating to the operational management of the Cardiff & Vale of Glamorgan Pension Fund ('the Fund') and the administration of pension benefits.

The administration of the Pension Fund is carried out by the Pensions Section based in County Hall. All significant decisions e.g. the exercise of discretions granted to the administering authority under the LGPS regulations, are made and recorded in accordance with the Council's scheme for delegated decision making. As part of the Resources Directorate, the Section is subject to the Council's policies, procedures and internal controls.

The Pension Committee and Corporate Director Resources are advised on investment matters by an Investment Advisory Panel (the Panel). The role of the Panel is detailed in the Fund's Investment Strategy Statement (ISS) .

The Panel comprises:

- Corporate Director Resources
- Three elected members of City of Cardiff Council
- One elected member of Vale of Glamorgan Council (observer status)
- Two independent advisers

The Panel normally meets four times a year to review the performance of the Fund's investments and to advise on investment strategy. The Panel also considers other aspects of the administration of the LGPS which may have implications for investments e.g. the triennial actuarial valuation. The Panel receives presentations from Investment Managers, primarily Russell Investments and Link FS now that the majority of the Fund's investments are in Wales Pension Partnership (WPP) sub-funds. The performance of WPP Investment Managers is also considered by the WPP Joint Governance Committee (JGC) and Officer Working Group (OWG).

An Employers' Forum is held annually to which all contributing employers of the Fund are invited.

The Forum receives presentations on matters such as changes in regulations, the investment performance of the Fund and actuarial valuations.

Previously a separate Trade Union Forum was held annually to consider similar issues to the Employers Forum with trade union representatives but in recent years the opportunity has been taken to merge the two Forums.
