

COMMITTEE BUSINESS

Purpose of Report

1. This report seeks committee's approval for the draft Environmental Scrutiny pages of the Scrutiny Annual Report 2022/23, as attached at **Appendix A**.

Scrutiny Annual Report 2022/23

2. The Council's Constitution requires all Scrutiny Committees to report annually to the Council on their work during the past year and make recommendations for future work programmes. Since 2021/22 this constitutes one combined Scrutiny Annual Report capturing the work of five scrutiny committees.
3. The Scrutiny Annual Report 2022/23 will be considered by Full Council in later this year. It is currently being drafted and will be presented for consideration by all Chairs of Scrutiny, prior to the end of their term of office in May 2023.
4. In preparation for the final draft, each committee is requested to agree the pages that will be included for that committee. Draft pages are therefore attached at **Appendix A** for this committee's approval. The pages will set out committee's membership, purpose, and key achievements over the year.
5. Committee members are to note **Appendix A**, focuses on the key areas of work undertaken by this committee during 2022/23. However, other sections of the final Scrutiny Annual Report to Council will focus on the difference made to residents, visitors, staff, and businesses over the administration, highlighting how Scrutiny has influenced the way Council services are delivered; improve stakeholder understanding and interest in Scrutiny; explain how Scrutiny facilitates engagement and encourages public participation; and highlight the value of Member-led / stakeholder informed decision making.

6. If agreed by Council the report will be available for download bi-lingually from the Council's website, in standard or large print version and will also offer a translation in other minority languages if requested.

Way Forward

7. During the meeting, Members may wish to consider the draft Environmental Scrutiny Committee pages, attached at **Appendix A**, and provide any suggested amendments required to the draft document prior to its final consideration.
