**YOUTH JUSTICE SERVICE – UPDATE**

---

**Purpose of the Report**

1. Following the publication of the HMIP Inspection report of the Youth Justice Service in 2020, the Children & Young People Scrutiny Committee agreed that it would prioritise the Youth Justice Service as a topic for scrutiny and has continued to monitor improvements since this time.
2. **Appendix A** attached to this report provides Members with an update on progress in relation to the Youth Justice Service.

**Background**

3. The Cardiff Youth Justice Service (YJS) is a statutory partnership set up under the Crime and Disorder Act 1998 to work with 10 to 18-year-olds and their families, to prevent anti-social behaviour, offending and re-offending. YJS workers provide intervention and support to young people sentenced to a community penalty or custody or those dealt with by an out-of-court disposal, as well as prevention and diversion work to try to steer young people away from entering the youth criminal justice system. They also offer support to victims of youth crime and anti-social behaviour.
4. The inspection, in January 2020 was led by HMI Probation and supported by inspectors from Care Inspectorate Wales, Estyn, Healthcare Inspectorate Wales, and HMI Constabulary and Fire & Rescue Services (HMICFRS).

5. At that time, Cardiff Youth Offending Service was rated as 'Inadequate' across all areas of work: leadership and staffing; working with partners such as health, education and police; and providing services to children and young people who have offended and to their victims. The inspection found improvement was required across all areas. The report made 14 recommendations. A subsequent Strategy and Action Plan "All Our Futures" was agreed and implemented.
  
6. A further inspection was undertaken in March 2022 and the report was published on 2 August 2022. HMIP concluded that...

*Overall, Cardiff YJS was rated as 'Requires improvement'. We also inspected the quality of resettlement policy and provision, which was separately rated as 'Good'.*

HMIP made 7 recommendations in the August 2022 report.

7. In October 2022, this Scrutiny Committee received a copy of the "Building Safer Futures Together", the Youth Justice Services Strategy for 2022-2024. This built on the "All Our Futures" Strategy and set out key data and improvements to date; as well as setting out 3 key commitments for the lifetime of this Plan. These commitments are:
  - Working With Children, Families and Partners
  - System Analysis and Change
  - Better Choices; Safer Places

## Issues

8. Since the Inspection in 2020, this Scrutiny Committee has monitored progress and improvements to the YJS, via bi-monthly updates. At its work programming forum on the 19<sup>th</sup> July 2022, this Committee agreed that, given the progress and improvements made within the YJS and the Youth Justice Board for England and Wales's decision to 'de-escalate' the Service from Stage 3 to Stage 1, the Committee would now receive YJS Updates on a quarterly basis.
9. Attached at **Appendix A** is an update on the Youth Justice Service provided by the Service Area and Independent Chair. This covers:
  - Youth Justice Board Update
  - National Developments
  - Staffing
  - Project Updates – Crossroads
  - Partnership Working
  - Performance and KPIs, including changes in KPI reporting from April 2023
