Scrutiny Annual Report 2022-23 Background

3. Cardiff Council's Constitution requires all Scrutiny Committees to report annually to the Council on their work during the past year and make recommendations for future work programmes.
4. The key drivers for a change in approach to reporting the activity of the Council's five scrutiny committees have been:
 - A recommendation following an Internal Audit report of Scrutiny Services;
 - The Local Government and Elections (Wales) Act 2021 emphasis on participation and engagement;
 - Recognition of the need to target a wider audience with a faster, more appealing, read;
 - Integration with improvements to the scrutiny pages of the Council's website.

5. The Report attached at **Appendix A** captures the work of all five Scrutiny Committees, highlighting key areas of achievement in 2022/23. It focuses on the difference made to residents, visitors, staff and businesses. The Report aims to highlight how Scrutiny has influenced the way Council services are delivered; improve stakeholder understanding and interest in Scrutiny; explain how Scrutiny facilitates engagement and encourages public participation; and highlight the value of Member-led/ stakeholder informed decision making.
6. If agreed by Council the report will be available for download bi-lingually from the Council's website, in standard or large print version.
7. The report will also offer a translation in other minority languages if requested.
