REPORT OF THE DIRECTOR, CHILDRENS SERVICES

PERFORMANCE MONITORING DASHBOARD QUARTER 4 2022 - 2023

Reason for the report

1. This report includes the Key Performance Indicator Dashboard (as provided in Appendix A), which the committee has agreed is a standing bi annual agenda item.

Background

2. The Key Performance Indicator Dashboard outlines a range of key data from internal departments and outside agencies that have an impact on the lives of Children Looked After and Care Leavers. This will help members of the Committee understand the services and organisations that support care experienced young people in Cardiff.

Issues

3. From engagement with partners, and as discussed previously by the committee, the key performance indicators include information from the following departments:
 - Cardiff and Vale Health Board
 - Children Services
 - Bright Futures
 - Housing Directorate
 - Education Directorate
 - Criminal Justice System
 - Adolescent/ leaving care services
4. Where Key Performance Indicators for Children Looked After and Care Leavers have not been developed Children Services will work with the relevant organisation to increase the monitoring of Children Looked After and Care Leaver outcomes.

5. In line with the Committees Terms of Reference an Education Performance of Children Looked After Information report will be submitted annually. This report will provide further Key Performance Indicators including the number and percentage of Children Looked After with Additional Learning Needs, annual attainment data and Education Otherwise than at School information. As outlined in the Forward Work Program, this will be presented at the next Committee scheduled to take place in October 2023.

Financial Implications

6. This report outlines the proposal for a KPI dashboard to be collated utilising existing information and resources. Therefore, there are no financial implications arising.

Legal Implications

7. There are no legal implications arising from the report

RECOMMENDATIONS

8. To make any observations and comments and note how the information is provided in the future.
9. To note any other services, departments, or organisations the Committee want included in dashboard
10. To consider how relevant Health Dentistry information for Children Looked After can be included as part of this dashboard.
