

City Centre Management Arrangements

A wide-angle photograph of a busy city street, likely in a European city. The street is paved with cobblestones and has a checkered pattern. Pedestrians are walking in both directions. On the left, there is a building with a curved facade and a sign that says "AIC UP". In the center, there is a glass-fronted building. On the right, there is a blue building with a sign that says "LOUD AND L" and "BRANS BITTEN SA". A bus is visible on the right side of the street. The sky is overcast and grey.
