2. Overview of the Proposal

What action is the Council considering and why?

Please provide a detailed outline of the proposal. This information will support your findings in the impact assessments.

The Counter-Fraud, Bribery and Corruption Policy supports the core objective of the Counter Fraud, Bribery and Corruption Strategy, to develop and maintain a culture in which fraud, bribery and corruption are understood across the organisation as unacceptable, for which firm action is and will be taken to prevent and detect fraud loss, bring fraudsters to account quickly and efficiently, and to recover any losses.

In carrying out its functions and responsibilities, the Council seeks to promote a culture of openness and fairness and expects all those who work for and within the Council to adopt the highest standards of propriety and accountability.

The Council fully recognises its responsibility for good financial management so that public money is safeguarded at all times and used appropriately, efficiently and effectively. The prevention, and if necessary, the investigation, of fraud, bribery and corruption is therefore seen as an important aspect of its duties, which it is committed to undertake.

'Fraud costs the public sector at least £50.2bn annually, and of this total, £8.8bn is specifically in local government.' The CIPFA Fraud and Corruption Tracker 2020 states that 65.1% of detected/prevented fraud in UK Local Authorities by volume, relates to council tax fraud – individuals inappropriately receiving a discount, exemption, or discount.

The Investigation Team receives referrals from various sources, including members of staff and the public.

Fraud from the public sector deprives vulnerable citizens of the help and support that they need.

What are the costs and/or savings?

What will the proposal cost and how will it be funded?

How might costs be reduced through involvement and collaboration, across Cardiff Council and/or with external stakeholders?

Are there savings and how will these be realised?

Cost neutral

Impact Assessments

Which impact assessments do you need to complete to support your proposal?

Further information is included about each assessment at the start of the relevant section.

The [Impact Assessment Screening Tool](#) provides advice tailored to your proposed policy, strategy or project regarding which impact assessments may be required and who to contact to find out more.

The screening tool is an online form with mainly multiple-choice questions which should take less than 10 minutes to complete.

Once the answers have been submitted, an automated email will be sent to you with the recommended next steps and details of who to contact for expert advice.

Put Yes or No next to each of the impact assessments listed below to indicate which ones are being carried out. For assessments which are not being carried out, please delete the relevant sections on the subsequent pages.
