

RLDP SCRUTINY INQUIRY – Final Report

Reasons for this Report

1. For the Committee to note the final draft of the Joint Scrutiny Inquiry on Cardiff's Replacement Local Development Plan (RLDP).

Background - Replacement Local Development Plan (RLDP)

2. The RLDP is a crucial strategic document which governs the future development and economic growth of Cardiff up to 2036. It will be a key driver of investment, competitiveness, growth and environmental protection in Cardiff and will have implications for the wider city region.
3. The next stage of the RLDP is the *Preferred Strategy*, which will set out the preferred level of housing and jobs growth for the plan and the spatial strategy to deliver this growth. It will also contain a number of draft strategic key policies – such as sustainable transport, protecting the environment and delivering quality new development – which will inform the preparation of a Deposit Plan.
4. Welsh Government guidance requires the Preferred Strategy to be founded on a robust and up to date evidence base; this is tested during the independent examination of the Deposit Plan.

The Scrutiny Inquiry Process

5. It is essential that the Preferred Strategy is subject to robust scrutiny prior to being finalised by Cabinet.
6. The Scrutiny Chairs agreed that a joint task and finish group be established, consisting of the Chairs of the five Scrutiny Committees and volunteers from each committee.

7. Following approval of the Preferred Strategy, it is anticipated that the task and finish group will continue to meet periodically, to undertake scrutiny of future stages of the RLDP.
8. At its meeting on the 20th March 2023, Members considered the Scrutiny Chairs' request for expressions of interest to take part in a cross-scrutiny Inquiry as part of the next stage of the RLDP in relation to a consultation on the preferred strategic options.
9. Cllrs Ahmed, Ash-Edwards and Boes expressed an interest in joining the Chair, Cllr Taylor, in representing this committee.
10. The RLDP cross-committee group met on the 7th July 2023 to discuss how it could most effectively scrutinise this issue, given its breadth. The group agreed that prioritising three topics of focus would be most effective; and that smaller sub-groups be established to undertake this work.
11. The three priority topics agreed were:
 - Securing Planning Obligations/s106
 - Transport
 - Local and District Centres.
12. The timescales to which all three sub-groups worked to were:
 - Evidence Gathering – October 2023
 - Drafting of key findings, recommendations and report – November 2023
