EXPLANATORY NOTE

(This does not form part of the Notice but is intended to explain its general meaning)

It is proposed that Allensbank Primary School and Gladstone Primary School (which are both English Medium schools) are closed and replaced with a new two forms of entry (FE) English-medium primary school with nursery in the premises currently shared between Gladstone Primary School and St Monica's Church in Wales Primary School. The nursery would provide 96 part-time places.

It is proposed that the new school would serve the combined catchment areas of the two existing schools it replaces.

It is also proposed that Ysgol Mynydd Bychan (which is a Welsh-medium school) is transferred to the site currently occupied by Allensbank Primary School as a two forms of entry (FE) Welsh-medium school with nursery. The nursery would provide 96 part-time places.

The proposed changes would be implemented from September 2025.

There is a Speech and Language early intervention class hosted by Allensbank Primary School. The Council admits up to 8 Foundation Phase children to this city-wide provision who were not making sufficient progress, but who have good prospects for returning to their local mainstream school.

Placements last 1 – 3 years, depending on progress. Pupils are dual registered at their local school and supported to return to that school at the end of the placement. Pupils continue to attend their local school for at least one day a week, to maintain links with local friends and to prepare for a successful reintegration to their local school.

Consideration would be given to establishing the city-wide Speech & Language class within the new school in consultation with the relevant school governing body / bodies, taking account of each school's aspirations.

The proposed changes are subject to the transfer of St Monica's Church in Wales Primary School into the premises currently occupied by Ysgol Mynydd Bychan. This proposal has been published separately and can be found on the school website www.stmonicasschool.co.uk
