

Objection 1

Hello,

As a parent of two children at Allensbank primary school I would like to formally object to the proposed plans to close the school. As stated in our initial response, this option does not best represent the local community and the move will have a detrimental impact on my children.

Objection 2

I object to this going ahead as this will encourage more welsh speaking employees to the area, Therefore pushing up the price of property in the area and pushing out local people.

I also object to this as there will be a significant amount of funding ploughed into this new welsh school whilst many schools are running at a deficit.

I also object to this as I believe current staff at Gladstone Primary will have to reapply for their current jobs, I have spoken to one teacher who was in tears at this prospect!!

I think this will be a big mistake on the part of Cardiff LEA!!!
