At the moment, the CSSIW report does not demonstrate that Cardiff Council, in 2014-15, was performing badly in many of the areas of Social Services measured by the all-Wales statutory performance indicators.</i> • <i>the lack of comparator data - Members note the answers provided but cannot square this with the work of a national inspectorate seeking to ensure</i> 	14 January 2016	Attached in full at Appendix B

			<p>Day Opportunities <i>Members note that the savings in relation to this, Line 141, relates to employee cost savings resulting from the closure of Gabalfa Day Centre. Members also note that the proposed savings coming from no longer using Oldwell Court were to have been re-invested in providing the Day Opportunities Team. Following the Notice of Motion to Council in January 2016, the savings from Oldwell Court will be phased, perhaps over a significant period of time. Members seek clarification of the impact of this on the Day Opportunities Team, which were to have provided support to people with lower levels of dementia.</i></p> <p><i>Members also note that further work is proposed with Health, which may include accommodation options for people with dementia. Members are interested to learn more on this and asked to be kept informed.</i></p> <p>Supporting People <i>Members note that further work is underway with regard to floating support for Older People with a view to new arrangements being in place by April 2017; Members wish to be kept informed of this work.</i></p> <ul style="list-style-type: none"> • Savings Line 133 –<i>Members recommend that the narrative in the savings line be updated to make it clear that broken cameras are replaced with 3 new cameras.</i> • Savings Line 133 - <i>Members recommend that thought be given to an alternative strategy to secure Council funding for Operation Mistletoe in case alternative funding is not available.</i> <p><i>As the Committee responsible for scrutinising community safety and crime and disorder partnership</i></p>
