CARDIFF COUNCIL**

COMMUNITY & ADULT SERVICES SCRUTINY COMMITTEE

9 MARCH 2022

HOUSING REVENUE ACCOUNT (HRA) BUSINESS PLAN 2022-23

Purpose of Report

1. This report provides background information to enable Members to carry out pre-decision scrutiny of the Housing Revenue Account (HRA) Business Plan 2022-23 prior to its consideration by the Cabinet on the 10th March 2022.
2. A copy of the draft Cabinet Report is attached at **Appendix A**, which in turn contains, **Appendix B**; the HRA Business Plan 2022/23.

Background

3. All Local Authorities in Wales have the responsibility to plan for the housing needs of their population in their role as Strategic Housing Authority. However only 11 of the of the 22 authorities in Wales have retained their council housing stock and consequently a role in the direct delivery of affordable, good quality homes as a social housing landlord.
4. Cardiff Council's landlord functions are managed within a ring-fenced Housing Revenue Account. Every year, each of the 11 stock retaining authorities are required to present an "acceptable" Housing Revenue Account (HRA) Business Plan (including a 30 year financial model) to the Welsh Government. This is to allow the Welsh Government to assess the progress of local authorities in meeting and/or maintaining the Welsh Housing Quality Standard (WHQS) in order to be eligible for the Major Repairs Allowance (MRA) Grant (currently £9.5m).

Rent Policy

5. Members are to note that whilst the responsibility for setting rents for dwellings rests with the council, it is necessary to operate within a policy framework set by the Welsh Government (WG).
6. A new five-year Social Housing Rent policy was introduced by the WG in 2020/21. This will run from 2020/21 to 2024/25 and allows for a maximum 1% rent increase above the rate of the Consumer Price Index (CPI). The CPI was identified in September 2021 as 3.1%. For background purposes, Committee Members are to note that in September 2020, the CPI was identified as 0.5%
7. As stated in **point 9** of the Cabinet Report, this CPI was outside the Welsh Governments maximum figure of 3% and so required a ministerial decision and it was subsequently decided the maximum annual uplift would be 3.1%. As such, the average rent for a Council home in Cardiff will increase by £3.34 per week (£3.55 based on the 49-week collection) exclusive of service charges for 2022/23. This results in an average weekly rent of £111.16 for standard housing stock.

The table below sets out the proposed average weekly rent per property type for Cardiff for 2022/23:

No. of Bedrooms	Estimated Average Rent 2022
1	£99.76
2	£114.94
3	£132.16
4	£146.53

8. At this Committee's February meeting, during consideration of the draft 2022/23 Budget Proposals, Committee Members were informed that overall, Cardiff Council rents are below the Joseph Rowntree Foundation Living Rent Model; apart from one-bedroom houses and bungalows. Further, the energy efficiency rates for Council properties are above the standards required for the Welsh Housing Quality Standard (SAP rating of 72).

Previous Scrutiny

12. Each year, the HRA Business Plan has to be presented to the Welsh Government. In March 2021, the Community & Adult Services Scrutiny considered the previous year's Plan¹. Some of the areas explored during the meeting included:
- a. The benefit and importance of the Plan's matrix table. As a key purpose of this matrix table is to provide Welsh Government and members of the public with a clear understanding of the identified areas of risk, Members felt the narrative should be expanded to include information on how risks are determined, analysed and monitored to ensure performance, progress and viability.
 - b. With regard to the format of the plan, Members noted the format is prescribed by Welsh Government, however were advised there is scope to alter its format within reason. As a result, Members **recommended** in future years more information is included in the Plan regarding financial detail, mitigation measures and sensitivity analysis. Members are to note this recommendation was partially accepted due to the Cabinets view that as a comprehensive financial model sits below this document, they do not wish the document to lose its accessibility and transparency.
 - c. In relation to the Council's decarbonisation agenda, Members raised their concerns over the costings of this work and sought assurance this is being adequately

accounted for.

- d. Given the challenges surrounding retrofitting detailed at the meeting (costing, scale of work, ensuring affordable energy costs for tenants) Members questioned if the 'challenge of decarbonisation' risk being determined as amber in the plan was realistic.
- e. Members sought assurance that the debt projections contained in the Plan were viable.
- f. Members requested confirmation on the construction price inflation figures to determine its alignment to the sensitivity analysis within the Plan. Members were subsequently advised that as of December 2020, the construction price inflation figure published by the office for national statistic was 1.4%, however this was expected to rise post covid and Brexit.

Way Forward

13. At this meeting, the following witnesses will be in attendance:

- (i) Councillor Lynda Thorne, Cabinet Member, Housing & Communities
- (ii) Sarah McGill, Corporate Director for People and Communities
- (iii) Helen Evans, Assistant Director, Housing & Communities
- (iv) Gill Brown, Group Accountant.

14. The item will begin with Committee Members receiving a short presentation providing an overview of the plan, after which, there will be an opportunity for Members questions. Members will then be able to decide what comments, observations or recommendations they wish to pass on to the Cabinet for their consideration prior to making their decisions.
